Who is Farmer Bill?

Farmer Bill is the one & only Bill (William) Warmbier, my dad! Farmer Bill has been farming his whole life and enjoys the challenges that come with this adventure! I can remember, as a small child, eating picnic suppers on the tailgate of our truck in the field, while dad was planting or harvesting, and enjoying our family time. Or the special treat of being able to drive one of the tractors to the field where it was needed next, (this got me and my siblings out of other work for awhile!) the wind blowing in our faces & the absolute freedom of "driving" on the road at such a young age. All 4 of us kids learned how to drive on the Super C Farmall, taking the "scenic tour" around the field. I swear that tractor only goes about 5mph!

We had such adventures growing up on a farm that we thought we should share these experiences. Farmer Bill's is a celebration of farming & all that it involves. It's the simple things that we shared with each other as kids, all things that we found on the farm and used our imaginations to turn into fun & adventure. We love seeing the excitement on kids faces when they discover our Farmer Bill's Play Area and the joy of them seeing the pumpkins growing in the field, still on their vines.

We hope you will bring your family out to Farmer Bill's this fall! We would be delighted to have you there.
